THE AUSTRALIAN HEART/LUNG TRANSPLANTS ASSOCIATION Inc.

P.O.Box 309, KINGS CROSS, NSW,1340

APPLICATION FOR MEMBERSHIP

We would like to invite you to become a member of a very exclusive club for heart and lung transplant recipients. The Australian Heart/Lung Transplants Association (AHLTA) is a registered charity and was founded with the encouragement of Dr Victor Chang to support and assist pre and post-transplant patients and their families.
Any person who has undergone heart/lung, heart or lung transplant surgery in Australia may become a Full Member.
To find out more about us please visit: http://www.ahlta.com.au

The objectives of The Australian Heart / Lung Transplants Association Inc are to:

- Promote the minimisation of cardio thoracic disease and support organ donation and transplantation.
- Provide information regarding research and delivery of health outcomes in cardio thoracic health care.
- Raise funds for cardio thoracic transplantation research and equipment.
- Support and inform pre-heart/lung transplant patients and post heart/lung transplant recipients and their families.
- Raise funds for AHLTA House which is a subsidised accommodation facility for patients from regional areas.
- Offer financial assistance to those in need as a result of the health issues surrounding a transplant.
- Social functions for members and their families.

Should you wish to be a part of this charity, to receive your badge and continue to receive information about our activities please complete the details below and email them to us at info@ahlta.com.au or alternatively forward this form to:
The Secretary, The AHLTA, PO Box 309, Kings Cross, NSW, 1340.

Please keep us advised of any changes to your details. Tear off below this line
